## Assumption of Risk and Liability Waiver

*Please complete and sign this form and present it to your camping guides on board the vessel.*

I, (print full name) \_\_\_\_\_, the undersigned, willingly agree to participate in Poseidon Expeditions' **Antarctica Camping** program with the full awareness and understanding that my participation will involve significant risks to my safety.

I understand that Antarctica Camping is a physically demanding and inherently risky activity that will take place in one of the world's most remote and inhospitable environments. I am aware I may encounter hazards such as: an unfamiliar activity and sleeping conditions that may cause discomfort and injury; the presence of slippery snow and ice, unstable glaciers, hidden crevasses, and the threat of avalanche; exposure to sub-freezing temperatures that may cause hypothermia or other illnesses; highly changeable and unpredictable weather including severe wind and freezing precipitation causing blizzard and whiteout conditions at the camping site; becoming stranded on shore for longer than anticipated; as well as other known and unknown hazards associated with camping in Antarctica. I am aware that serious injury and death can result from these hazards.

I agree that my safety is primarily my own responsibility. I agree to make sure I have appropriate physical stamina and health required to participate safely in Antarctica Camping. I agree to comply with any safety rules and instructions given by my guides. I agree to stop and seek assistance if I do not believe I can safely continue, to limit my participation to reflect my personal abilities, and to refrain from any and all actions that would pose a hazard to myself or others.

I affirm that I have received the Antarctica Camping Preparation Notes and the Antarctica Camping Terms and Conditions, I have read them fully, I understand them, and I am currently and will remain in full compliance with all rules and provisions contained therein.

I hereby understand and agree that "Poseidon Arctic Voyages, Ltd." (dba "Poseidon Expeditions") does not bare any responsibility or liability for the camping excursion I may take during my cruise. I further understand and agree that I release, hold harmless, and forever discharge "Poseidon Arctic Voyages, Ltd.", and its directors, agents, employees, expedition staff members, and partners from all liability for all damages resulting from my participation in Antarctica Camping.
